

Geology Of The Yellowknife-Herne Lake Area, District Of Mackenzie: A Segment Across An Archean Basin

by J. B Henderson

Pb isotopic composition of late Archean granites and the extent of . IMPLICATIONS OF AN ARCHEAN STRIKE-SLIP BASIN: THE . Figure 6A Stratigraphic columns through the Beaulieu Rapids Basin. 69.. Lambert and others, 1992) and the Geology Division of Indian and Northern Henderson, J. B., 1985, Geology of the Yellowknife-Hearne Lake area, District of Mackenzie: segment. Geology of the Yellowknife-Herne Lake area, District of Mackenzie . L. Anglin, H. Falck, D.F. Wright, and E.J. Ambrose; Geological Association of Canada, Mineral Henderson, J.B. 1985: Geology of the Yellowknife-Hearne Lake area, District of Mackenzie: a segment across an Archean basin; Geological GEOLOGY OF THE ATHAPUSCOWAULACOGEN, EAST ARM OF . 213-236. Henderson, J.B. (1985) Geology of the Yellowknife-Hearne Lake area, District of Mackenzie: a segment across an Archean basin. Mem. Geol. Surv. Geology of the Yellowknife-Hearne Lake Area, District of Mackenzie . In Tectonic and stratigraphic studies in the northeastern Great Basin eds. Miller, D.M. Henderson, J.B. (1985) Geology of the Yellowknife-Hearne Lake area, District of Mackenzie: segment across an Archean basin. Geol. Survey Can. Mem Early Precambrian Basic Magmatism - Google Books Result The volcanic facies associations in the study areas are analogous to those of . Keywords: Seamounts; Archean; Slave Province; Mafic volcanic; Multiple dykes; Slave Province geology. A 55x160 m schematic section through locality A and an 80x230 m supracrustal and intrusive rocks, Yellowknife-Hearne Lake. Geology of the Yellowknife-Hearne Lake area, District of Mackenzie Yellowknife River Fault Zone and the Jackson Lake Formation . Simplified geological map of the Yellowknife greenstone belt (simplified from Martel extension of map A. The areas of detailed maps (Figs . 1985: Geology of the Yellowknife-Hearne Lake area. District of Mackenzie: a segment across an Archean basin; . Precambrian Ophiolites and Related Rocks - Google Books Result The geology of the Slave province contrasts strongly with . Yellowknife, volcanic rocks in the Russell Lake area west of 1985: Geology of the Yellowknife-Hearne Lake Area, District of Mackenzie: A Segment Across an Archean Basin; . Neodymium isotopic evidence for the tectonic assembly of Late Archean crust . the geology of the province in that exposures of Mid to Early Archean crustal rocks Similar isotopic variations observed across Phanerozoic collisional orogens. of the Yellowknife-Hearne Lake area, District of Mackenzie: a segment across Geology of the Yellowknife-Herne Lake area, District of Mackenzie . Henderson, J.B. 1985. Geology of the Yellowknife-Hearne Lake area, District of Mackenzie: A segment across an Archean basin. Geological Survey of Canada, Geothermal Favourability Map Northwest Territories - Environment . juvenile crust that extends across much of the Hearne domain; (ii) close, primary intercalation of . Keywords: Western Churchill; Neoproterozoic; Central Hearne; Geology; Tectonics. 1.. segment after Park and Ralser (1992); Kaminak segment after Irwin et al . geology of the North Henik Lake area, District of Keewatin,. Structural evolution of the Yellowknife greenstone . - ResearchGate 1 Apr 2010 . Henderson, J.B., (1985), Geology of the Yellowknife-Hearne Lake Area, District of Mackenzie: A. Segment Across an Archean Basin, Archean Greenstone Belts Are Not Oceanic Crust - Jstor beneath the Slave Province in the Late Archean. A late Proterozoic or younger age is more. 1985: Geology of the Yellowknife-Hearne Lake area, District of Mackenzie: a segment across an Archean basin;. Geological Survey of Canada, Télécharger - Hal Title, Geology of the Yellowknife-Hearne Lake area, District of Mackenzie: a Segment Across An Archean Basin. Download, Downloads. Author, Henderson, J B. Preliminary surficial geology studies and mineral exploration . 1985, English, French, Book, Illustrated edition: Geology of the Yellowknife-Herne Lake area, District of Mackenzie : a segment across an Archean basin / J.B. Bleeker & Ernst - MantlePlumes Archean quartz arenite and ultramafic rocks at Beniah Lake, Slave structural province, N.W.T. In: Current Research Part C. Geological Geology of the Yellowknife-Hearne Lake area, District of Mackenzie: a segment across an Archean basin. ?The late Archean record: a puzzle in ca. 35 pieces - Geophysical F. W. Breaks, W. D. Bond, and D. Stone, Preliminary geological synthesis of the English River Subprovince,. J. B. Henderson, Geology of the Yellowknife-Hearne Lake area, District of Mackenzie: Segment across an Archean basin, Geol. report on the sunrise property, nwt prepared for silver . - SSR Mining 213-235. , 1985, Geology of the Yellowknife - Hearne Lake area, District of Mackenzie, a segment across an Archean basin: Geological Survey of Canada, Precambrian Sedimentary Environments: A Modern Approach to Ancient . - Google Books Result The nucleus of the Archean Slave Province (containing Earth's oldest rocks, the Acasta gneisses) is a . across much of the protocraton between 3.41-3.30 Ga is either directly. Henderson J.B., 1985, Geology of the Yellowknife-Hearne Lake area, District of Mackenzie: a segment across an Archean basin. Geological Early crustal history of the Slave craton, northwestern Canada - gemoc

Northwest Territories; Geological Survey of Canada, Current Research 2003-C9, 9 p. Abstract:.. 1985: Geology of the Yellowknife-Hearne Lake area, District of Mackenzie: a segment across an Archean basin; Geological Survey of Canada,. Geological Survey of Canada, Open File 2168 - Google Books Result Geology of the Yellowknife-Hearne Lake area, District of Mackenzie : a segment across an Archean basin. Responsibility: J.B. Henderson. Imprint: Ottawa Yellowknife 2007 - Mineralogical Association of Canada Yellowknife 2007. For a change of Allen, T.L. and Fraser, T.A., Yukon Geological Survey,. Whitehorse, YT wedge that was deposited in the foreland basin of the Yukon. Russell Lake area are presented here for regional.. The District has initiated.. Archean Hearne craton in Manitoba bridge the areas where. Satellite Geological Mapping of the Yellowknife Volcanic Belt - AINA . Archean rocks in the Fenton Lake - Brown Lake area, southern Slave . to the Yellowknife Supergroup, and granite plutons, including the 2641 + 3.5 Ma Suse. General geology of the southern Slave Province . Geology of the Yellowknife - Hearne Lake area, District of Mackenzie: a segment across an Archean basin. Untitled relict Archean oceanic crust is preserved in granite-greenstone terrains or other Archean tectonic settings but that . Hearne Lake. basin. Ophiolite. D6collement. Journal of Geology. 127. This content downloaded.. taurum, Townsite, and Yellowknife Bay Forma-.. area, District of Mackenzie: a segment across an Ar-. Recognizing distinct portions of seamounts . - Semantic Scholar 27 Aug 1996 . The absence of pre-3.2 Ga crust in the Yellowknife area and lack of evidence for pre-2.8 Ga. J.B. HendersonGeology of the Yellowknife-Hearne Lake Area, District of Mackenzie: A Segment Across an Archean Basin. Geol. Bedrock mapping in the Walmsley Lake area, southeastern Slave . These limitations not only apply to the crustal geology of Archean cratons but also to their underlying lithospheric mantle . Geology of the Yellowknife-Hearne Lake area, District of Mackenzie: a segment across an Archean basin. Geological Geological Survey of Canada, Current Research (Online) no. 2006-A7 - Google Books Result Geology of the Yellowknife-Hearne Lake Area, District of Mackenzie: A Segment Across an Archean Basin, Issue 414. Front Cover. John B. Henderson. universite du quebec a chicoutimi memoire presente a luniversite . 3 Sep 2003 . Henderson, J.B., (1985): Geology of the Yellowknife-Hearne Lake Area, District of. Mackenzie: A Segment across an Archean Basin. Geol. Surv. An Archean metamorphic core complex in the . - ResearchGate CURRENT RESEARCH IN THE GEOLOGICAL. SCIENCES IN Through your bookseller. Catalogue No. M44-78/ formable contact between Archean rocks (typical). Group of the Deer Lake Basin in western. Yellowknife and Hearne Lake map-areas, District Keskarrah Bay map-area, District of Mackenzie,. 1976-. Structural development of an Archean Orogen, Western Point Lake . EAST ARM OF GREAT SLAVE LAKE, DISTRICT OF MACKENZIE. Project 660009 Archean rocks in the East Arm had been mapped in. 1967-68 by shore of Hearne Channel near Narrow Island. Foliation.. at the type section north of Lac Duhamel, from the top:.. region much closer to those of the type area around the. Geology and Neoproterozoic tectonic setting of the Central Hearne . 5 Sep 1990 . area because 1:100 000 scale geological mapping is available. (Helmstaedt et al., 1979 These are intruded by other granites, most notably the Prosperous Lake Granite to.. District of Mackenzie, A segment across an Archean basin. Geological. Geology of the Yellowknife-Hearne Lake area,. District of . 9. regional correlations, tectonic settings, and stratigraphic solutions 1985, Geology of the Yellowknife-Hearne. Lake Area, District of Mackenzie: segment across an Archean Basin: Geol. Survey Canada. Mem. 414, 135 p. U-Pb Zircon Geochronology of the Yellowknife Volcanic Belt . - Jstor considerations in the Yellowknife area, Northwest Territories; Geological Survey of Canada, . initiated regional surficial geology mapping through this pro-. Neodymium isotopic evidence for the tectonic assembly of Late . ?Henderson, J. B., Geology of the Yellowknife - Hearne Lake area, District of Mackenzie: a segment across an Archean basin, Mem. Geol.
