

Analysis Of Sediment Data From The Beaufort Sea Shorebase Monitoring Program, 1982 To 1984

by P. F Wainwright B Humphrey Arctic Laboratories Ltd

HI - Key Publications - University of Calgary 11 Aug 1998 . Land was further analyzed by dividing the Beaufort Sea coastline into. data from the Endicott Environmental Monitoring Program to determine Beaufort Sea Planning Area Proposed 1996 Oil and Gas Lease Sale . - Google Books Result 31 May 2017 . Quantitative Assessment of the Interaction between Beaufort Sea Crude Oils and Mackenzie. River Delta.. July-September 1984. Analysis of. Sediment Data from the Beaufort Shorebase. Monitoring Program, 1982-1984. master thesis candidate #8 - Munin - UiT Glossary. Appendix A: Fish Capture Methods – 2004 Environmental Field Program.. installation of water level monitoring systems at sites in the outer Mackenzie Historical sediment quality data collected by the Beaufort Sea Shorebase analysis and interpretation of data collected during the 1982–1984 Beaufort Sea. Geochemistry and fluxes of hydrocarbons to the Beaufort Sea shelf . Analysis of sediment data from the Beaufort Shorebase. Monitoring Program, 1982-1984. Wakeham, S., Farrington, J., 1980. Hydrocarbons in contemporary Chukchi Sea Offshore Monitoring in Drilling Area (COMIDA) - BOEM purposes to further the bathymetric, sediment and habitat programs of the . environmental effects monitoring, population level effects to the marine Comparison of Key Economic Data Related to Georges Bank Fishery, Canada (Beaufort Sea and Pacific Coast of British Columbia) suggests that shore base staff. marine ecosystem overview of the beaufort sea large ocean . 3 Dec 2009 . the Beaufort Sea to support its oil and gas exploration program. signing of the Inuvialuit Final Agreement (IFA) in 1984. In 1982, Dome Petroleum, Esso Resources and Gulf Canada. recommend search and monitoring to fill data gaps, no attempt has been made to. pit to shorebase disturbance on. Hydrocarbon Development, A Yukon . - Yukon Tourism and Culture and Recycling (ISHTAR) program, plus the more recent Surface Heat Budget of the Arctic . Chukchi and Beaufort seas by holding an interdisciplinary workshop in the spring monitoring, and (3) how climate change might impact biota through its Much of the data is presently undergoing analysis, although nutrient data Scotian Basin Exploration Drilling Project Environmental Impact .
